CITY OF KEARNEY **PRESS RELEASE** ***For Immediate Release***

Issued Date: March 17, 2015

Point of Contact: Tony Jelinek, Assistant Director of Utilities, 308-233-3259

8th Street Between 2nd Avenue and 3rd Avenue Paving Work

The City of Kearney Utilities Department and Midlands Contracting Inc. announce that work is continuing on the South Sewer Project and part of the next phase of the project will be on 8th Street west of 2nd Avenue and east of 3rd Avenue.

Beginning Monday, March 23, 2015, 8th Street will be closed from 2nd Avenue westward to the east side of 3rd Avenue. All services to businesses along 3rd Avenue will remain open with access to 3rd Avenue.

Immediately following the road closure, crews will remove the paving on 8th Street between 2nd Avenue and 3rd Avenue. After the pavement removal is completed, paving crews will begin placing the new concrete pavement. This work is scheduled to take 5 weeks to complete with weather permitting.

Motorists are asked to use caution in the area, to watch for construction workers and machinery, and to make plans to use an alternate route to avoid the closed portion of 8th Street.

Watch for more announcements as the project continues.
