## **CITY OF KEARNEY** **PRESS RELEASE** ***For Immediate Release***

Issued Date: April 16, 2015

Point of Contact: Tom Farber, Project Manager, 308-865-5434

### **Coal Chute Roadway Closure**

As part of the new Kearney East Bypass Phase II construction project, Coal Chute Road will be closed to thru traffic from ½ mile east to ½ mile west of Cherry Avenue. On or just after April 22, 2015, the Contractor will close Coal Chute Road to remove the existing asphalt surfacing and begin the construction of new concrete pavement that will intersect with the new four lane bypass.

This closure is expected to last until mid-summer. Thru traffic will be detoured at Sweetwater Avenue and Antelope Avenue. Local traffic will be allowed inside the defined detour route. Motorists will not be able to use Antelope Avenue or Cherry Avenue to access Coal Chute Road eastward toward Highway 10. Cherry Avenue county road will be closed where it intersects with Coal Chute Road. Motorists are encouraged to use alternate routes during the roadway closure.
