## **CITY OF KEARNEY** **PRESS RELEASE** ***For Immediate Release***

Issued Date: April 29, 2015

Point of Contact: Michael W. Morgan, City Manager, (308) 233-3214

### **Minden Joins Greater Nebraska Cities**

We are pleased to announce the addition of Minden as a member of the Greater Nebraska Cities. Minden joins Grand Island, Hastings, Holdrege, Kearney, Lexington, and North Platte. These cities have joined together to communicate, collaborate, and promote our mutual interests. We desire to preserve local control and improve the quality of life of our citizens. We believe that our collaboration will result in a stronger and more cohesive voice for the group and clearer, productive communication with legislators.

The Greater Nebraska Cities will monitor (and when appropriate) evaluate and respond to legislative issues of mutual concern in a timely manner and with a unified voice. Our cities have banded together to speak with a single voice on issues of common interest and will issue joint statements only when all members agree on a plan of action.

This cooperative effort will not only provide a strong voice representing approximately 150,000 citizens of Central Nebraska, but will also provide for better sharing of information and ideas on how to most efficiently deliver services to our citizens.

If you have questions about our organization, please contact any community representative.
