Utility Bill Round-Up

The City of Kearney would like to remind all utility customers that they can “round-up” their utility bills when making payments to the City. The “round-up” amount simply needs to be noted on the utility payment remittance stub and included with the utility payment. The “round-up” amount will be used for future “Community Beautification Projects”. This program was started in 2011 and has generated \$8,816 to-date.
