## **CITY OF KEARNEY** **PRESS RELEASE** ***For Immediate Release***

Issued Date: May 15, 2015

Point of Contact: Tony Jelinek, Assistant Director of Utilities, 308-233-3259

### **4th Street Between 3rd Avenue and 4th Avenue Utility Work**

The City of Kearney Utilities Department and Midlands Contracting Inc. announce that work is continuing on the South Sewer Project and the next phase of the project will be on 4th Street west of 3rd Avenue.

Beginning Wednesday, May 20, 2015, 4th Street will be closed from the west side of 3rd Avenue westward to the east side 4th Avenue. All services to businesses along 4th Street will remain open. Immediately following the road closure, crews will remove the paving west of 3rd Avenue. After the pavement removal is completed the installation of groundwater dewatering wells will begin. Once the wells are in place, crews will continue with the installation of the sanitary sewer main and encasement pipe.

Motorists are asked to use caution in the area, to watch for construction workers and machinery, and to make plans to use an alternate route to avoid the closed portion of 4th Street. Watch for more announcements as the project continues.
