South Sewer Project Update – 4th Street

The City of Kearney Utilities Department and Midlands Contracting Inc. announce that work is continuing on the South Sewer Project and the next phase of the project will be on 4th Street east of 2nd Avenue.

Beginning Thursday, May 28, 2015 the north ½ of 4th Street will be closed from the east side of 2nd Avenue eastward. All services to businesses along 4th Street will remain open. Immediately following the road closure, crews will begin the removal and repaving process on the north ½ of 4th Street in 2 phases.

- The first phase will be from east of 2nd Avenue to the east side of the intersection of East 2nd Avenue.
- The second phase will start when the intersection of East 2nd Avenue is open to traffic, and includes the removal and replacement of the north ½ of 4th Street from the intersection east until it connects to the portion of 4th Street that was recently removed and repaved.

Motorists are asked to use caution in the area, to watch for construction workers and machinery, and to make plans to use an alternate route to avoid the closed portion of 4th Street. Watch for more announcements as the project continues.
