The Kearney Police Department was very pleased with the activities of Saturday evening and night. Crowds were very appropriate with few issues. The Police Department would like to thank the community the property owners and the property managers for all of their assistance. The support and assistance of the Buffalo County Health Partners, as well as Kelly Bartling and UNK, cannot be overstated as well.

The support from the City Council in enacting the new ordinances is also acknowledged for the tools necessary to both set an appropriate tone and provide tools for the staff during the event.
