Issued Date: July 24, 2015

Point of Contact: Steve Hart, Sanitation Supervisor, 308-233-3206

Extra Recycling Containers

The City of Kearney Sanitation Division continues to encourage recycling of solid waste in the City. The Sanitation Division offers the following recycling opportunities:

- Residential curbside collection of recyclables:
 1. Residents receive a free container and bi-monthly collection is free.
- Drop off sites at the following locations:
 1. University Heights Apts. North side of 35th Street just west of 17th Avenue
 2. Hilltop Mall, south side of Herbergers
 3. Kearney Area Recycling Center at 3007 E. 39th Street
 4. South Railroad Street on the east side of Avenue M
 5. City of Kearney Public Works Dept. at 1919 15th Avenue east end of south parking lot
 6. Kearney Area Solid Waste Agency Landfill at 6711 West 56th Street
- Commercial Cardboard Collection

Residents who have a large amount of recyclables and find that one recyclable container is not large enough and that the drop-off sites are inconvenient may choose to purchase an extra recyclable container. The cost of the container is \$100. Collection is free as scheduled with the original recyclable container. If necessary, the City will repurchase the extra container from the resident at a depreciated rate of \$10 per year.

Please contact the Sanitation Division at 308-233-3206 to set up residential or commercial recyclable collection and to order an extra recyclable container.
