City of Kearney Hires City Planner

The City of Kearney is pleased to announce Coelette Gruber as the new City Planner. Ms. Gruber graduated with a Masters in Community and Regional Planning from the University of Nebraska. As a two year intern with the City of Kearney's Development Services Department, she produced a community wide walkability study and other reports. This knowledge of neighborhood, commercial, and community nuances intermingled with her education will prove beneficial.

The City Planner provides coordination and direction of the development of the City. Coordinates short and long term planning involving zoning, land use, site plan review, and planning-related activities.
