CITY OF KEARNEY **PRESS RELEASE** ***For Immediate Release***

Issued Date: December 2, 2015

Point of Contact: Tom Farber, NDOR Project Manager, 308-865-5434

UPDATE: Antelope Avenue Roadway Closure

As part of the new Kearney East Bypass Phase III construction project, Antelope Avenue will be closed to thru traffic from just south of 78th Street for approximately 500 feet beginning December 7, 2015. The Contractor originally scheduled the closing for November 30, but because of weather and soil conditions, decided to hold off until December 7.

Contractors will remove the existing concrete pavement, grade, and construct new concrete pavement that will intersect with the new Bypass roadway. Weather permitting, Antelope Avenue is scheduled to be re-opened prior to Christmas. Northbound thru traffic will be detoured at 56th Street and Antelope to the west. Antelope will remain open to local traffic to just south of the roadway closure. 78th Street will remain open during this phase of work. Southbound motorists on Antelope Avenue will need to detour west at 78th Street. Motorists are encouraged to use an alternate route during the roadway closure.
