City of Kearney Unveils New FlyKearney Website

The City of Kearney today unveiled the new official website FlyKearney.com. The new website is a marketing website for the air traveler flying in and out of Kearney.

Some of the amenities of Kearney Regional Airport are the easy access, free parking, no baggage lines, short security lines, and being close to home. The website contains information pertaining to baggage, rental cars, many links to community attractions and businesses, and links to Great Lakes Airlines and the Denver International Airport.

We hope this attractive website will be of service to the air traveler and encourage the traveler to FlyKearney.

Check out our City of Kearney web site at www.cityofkearney.org.

We are sending this News Release as a service to the news media and citizens of Kearney.
