**Road Work: Traffic Shift on 78th Street**

The State of Nebraska Department of Roads and City of Kearney would like to inform the public on January 14, 2016, traffic will be shifted from existing 78th Street over to the new concrete pavement, from east of the N-10 & N-40 Intersection eastward to Antelope Road, weather permitting.

At the Antelope Road intersection, traffic continuing east will need to return to existing 78th Street. This traffic shift will allow the Contractor to begin removing existing 78th Street pavement, remove the existing bridge, and continue constructing box culverts. Local residents will have access maintained during the work.
