## **CITY OF KEARNEY** **PRESS RELEASE** ***For Immediate Release***

Issued Date: March 28, 2016

Point of Contact: Shauna Petzold, Household Hazardous Waste Coordinator, 308-233-3208

### **Household Hazardous Waste and Recyclable Drop-Off Sites to Move**

The City of Kearney Sanitation Division announces that the construction of the Household Hazardous Waste (HHW) building is complete. With the completion of the HHW building the recyclable and the Household Hazardous Waste drop-off sites, originally located on the northeast corner of the Kearney Area Recycling Center, have been relocated to the new Household Hazardous Waste building. This building is located on the southeast corner of the property at 3620 Box Butte Avenue.

The Household Hazardous Waste Building and the new recyclable drop-off site are accessible by turning south off of 39<sup>th</sup> Street onto Box Butte Avenue, east of the Kearney Area Recycling Center, and proceeding south to the driveway on the west side of Box Butte Avenue.

The new Household Hazardous Waste (HHW) building was developed to provide a convenient one stop collection point for citizens to drop off both household hazardous waste and recyclables. The new facility will allow the Sanitation Division staff to efficiently and safely process household hazardous waste.

The new HHW facility was partially funded through a Nebraska Environmental Trust grant in the amount of \$220,000. The Central Platte Natural Resource District (CPNRD) also provided funding for the purchase of a machine to process paint.
