CITY OF KEARNEY **PRESS RELEASE** ***For Immediate Release***

Issued Date: April 15, 2016

Point of Contact: Tom Farber, Project Manager, NDOR, 308-865-5434

Round-About Construction at Highway 10 & Highway 40 Intersection

As part of the Phase III construction of the Kearney East Bypass, weather permitting, construction of a new round-about at the intersection of Highway 10 and Highway 40 will begin during the week of April 18, 2016.

78th Street on the east side of the intersection will be closed to traffic during all of the round-about construction. The public can access Dawson Public Power's facility from the east on the newly constructed concrete pavement and new access road. Local residents and farmers will have access maintained from Avenue N west on the new concrete paved roadway.

Construction of the new round-about should be completed by early September. Motorists are encouraged to use alternate routes during the construction, and as always, please drive cautiously through the construction work zone.
