CITY OF KEARNEY **PRESS RELEASE** **For Immediate Release**

Issued Date: June 14, 2016

Point of Contact: Tom Farber, NDOR Project Manager, 308-865-5434

Road Work: 39th Street Roadway Closure

As part of the new Kearney East Bypass Phase II construction project, on Monday, June 20, 2016, 39th Street will close 3/4 mile east of Antelope Road and 1/2 mile west of Airport Road so contractors can begin construction of the new 39th Street roundabouts, and the Link road to Highway 30. It is anticipated to reopen early October.

To access the Kearney Regional Airport or the industries, motorists can use 56th Street or Highway 30. Industries that are located along the east side of old Cherry Avenue north of 39th Street will have access from the new 56th Street/Bypass intersection, then south using new concrete pavement for 1/2 mile and then back east to old Cherry Avenue.

As with any construction project, motorists are encouraged to drive cautiously in and thru construction work zones.
