CITY OF KEARNEY **PRESS RELEASE** ***For Immediate Release***

Issued Date: July 11, 2016

Point of Contact: Tom Farber, NDOR Project Manager, 308-865-5434

Road Work: Antelope Avenue Roadway Closure

As part of the new Kearney East Bypass Phase III constructions project, Antelope Avenue will close to thru traffic on Thursday, July 14, from just north of the new concrete pavement for 500 feet. Contractors will grade and construct new concrete pavement that will intersect with the new bypass roadway. Weather permitting, Antelope Avenue will re-open to thru traffic sometime the first part of August. Northbound thru traffic will be detoured at 56th Street and Antelope Avenue to the west. Antelope Avenue will remain open to traffic to the new bypass.

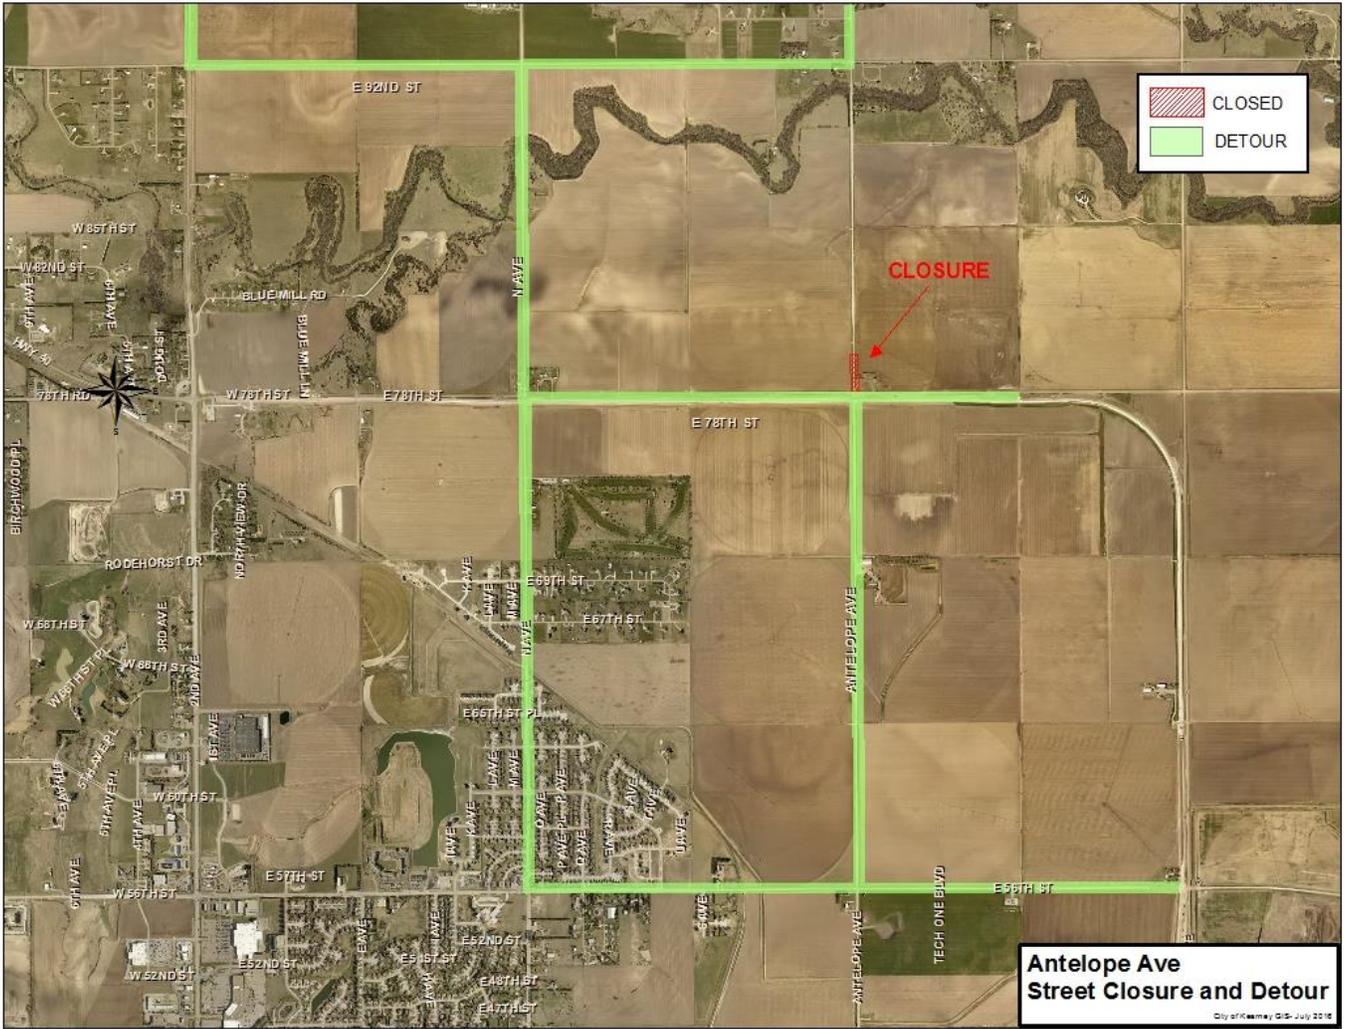

Motorists will be able to access existing 78th Street from the new bypass 1/2 mile east of Antelope Avenue. Motorists will also be able to travel west on the new bypass to "N" Avenue and then north to 92nd Street to gain access to Highway 10 and north. Motorists are encouraged to drive safely near construction work zones.
