Point of Contact: Tom Farber, Project Manager, 308-865-5434

## **Road Work: Avenue N Roadway Closure**

As one of the last phases of the new Kearney East Bypass Phase III construction project, Avenue N will close to thru traffic from just north of the new bypass roadway (78th Street) for approximately 500 feet. On August 3 the contractor will close this section of Avenue N to remove the existing concrete pavement, grade, and construct new concrete pavement and driveways. Northbound thru traffic will be detoured to the east at the bypass. Southbound traffic at 92nd Street and Avenue N will be detoured east towards Antelope Road which will have been opened to thru traffic to the south. Avenue N southbound will remain open from 92nd to the closed roadway for local traffic only.

Motorists are encouraged to consider using an alternate route during the closure. Weather permitting work is scheduled to be completed in early September.
