September is Library Card Sign-Up Month

September is Library Card Sign-up Month, a great time to open a library account at the Kearney Public Library!

The Library has something for everyone. With your free card, you can access our collections of youth and adult books, magazines, and movies, use our public internet computers, stream and download music, checkout digital magazines, eBooks, and downloadable audio books, access our databases, access our mobile printing service, use our Interlibrary Loan services, and reserve meeting spaces.

The Library offers many fun and educational programs for all ages – whether or not you have a library card! September programs will include arts and craft programs for all ages, writing workshops for adults, a variety of database and computer classes, storytimes, and more! Pick up the Library's quarterly newsletter for dates and times, or view it online on the Library's website.

During the month of September, people who open a new library account at Kearney Public Library will receive a small prize. Like us on Facebook to access our online drawings and information on classes and events for youth and adults.

Visit the Kearney Public Library today and see all the resources we have to offer! For more information about applying for a library card, call the Library at 308-233-3282.
