

Participant Sheet

With the current Covid-19 situation, please read over the Race Rules and Safety Information carefully as this event has been altered to follow current safety guidelines.

Race Rules and Safety Information:

- **Do NOT Exit Your Car!** – This is an event that can take place from your car. This will help us practice safe social distancing.
- **For race credit, a final word is needed.** – As stated above, all caches can be viewed from your car. You will find a word on every cache. You need to use the first letter of each cache word to then form a final word that you will email to KPR.
- **Be safe!** – Only participate with your household members. Drive safely and obey all traffic rules.
- **Your final word must be turned in by Monday, June 15 at 5:00pm.** – You can email your final word to recintern@kearneygov.org. Everyone who sends in the correct word by the deadline, will be entered into a KPR Prize Pack drawing.
- **What to include in your email.** – Please include your name and the name of each participant in your group as well as your final word guess. Emails need to be sent in by 5:00pm on Monday, June 15.

Cache Information Boxes will contain the following information needed to find each cache:

- **Cache Coordinates** – This is a specific GPS (Global Position System) location designating where each cache is located (within 20 yards).
- **Cache Clue** – This is a coded clue to help you find the cache once you get to the location. The decipher key is at the bottom of the Cache Information Page.

Here are a few tips to use as you hunt for the caches:

- **Look at the map.** – Each cache has a number which corresponds with a number on the map giving the general location of each cache.
- **Where do I go from here?** – When reading your coordinates, if the (N) North Coordinate is bigger than your current location, you need to go North. If it is smaller, go South. If the (W) West Coordinate is bigger than your current location, go West. If it is smaller, go East.
- **The cache is NOT here!** – If you cannot find a cache and you are sure that you are in the correct location, you can call Samantha Hahn at 308-293-1114 to verify the cache location and word.
