

FRIENDS OF THE LIBRARY

"A New Friend At The Turn Of Every Page"

Friends of the Library is a philanthropic organization that helps the Kearney Public Library and Information Center better serve its patrons. Friends provides funds for items and services that enhance the library user's experience. Membership dues and used book sales are our primary source of funds.

Our activities from the past year include:

- *Gave funds for both the children & adult summer reading programs
- *Holding the annual book sale each September
- *Continued sponsorship of the coffee bar
- *Ongoing book sale in the library
- *Updated Christmas decoration needs for expanded building
- *Helped with funding towards supplies to upgrade the new security system

As a paid member, you are not required to attend any meetings. We would like to host an annual meeting for the Friends to get the membership together at least once a year. Be watching for this event. You can always feel free to contact the president, Judy Piasecki @ 308-234-3034 if you have any suggestions or questions about our organization.

Our special thanks go out to all our ongoing and new members of Friends for 2014/15
Your support is vital.
