## **CITY OF KEARNEY** **PRESS RELEASE** ***For Immediate Release***

Issued Date: August 20, 2025

Point of Contact: Luke Dutcher, City Engineer, 308-233-3211

### **Construction Notice: Intersection of Highway 30 and University Drive-South**

The City of Kearney, in collaboration with Nielsen Contracting, announces that Phase 3 of the Highway 30 and University Drive-South roundabout project will begin on Thursday, August 21, 2025.

On that date, all Highway 30 traffic will be shifted from the temporary shoofly detour onto the newly constructed roundabout. This traffic change will allow work to begin on Phase 3.

As part of this phase, access to University Village via University Drive-South will be closed. Phase 3 construction will involve removing the temporary shoofly detour from Phase 2 and tying in University Drive-South into the new roundabout. Motorists needing to access or exit University Village should use Chancellors Avenue and/or South Railroad Street.

- Southbound traffic from the roundabout will not be permitted onto University Drive-South.

Phase 3 is expected to last approximately two months, weather permitting.

The City urges motorists to slow down, use caution, and watch for construction workers and equipment in the area.
