Build Your Family Tree Online at the Library

Create your family's tree on your very own family website by using MyHeritage.com. It is fun, easy, and collaborative. Come to the Kearney Public Library's computer classroom on the lower level on June 1 at 10:00 a.m. when library staff will show you how to set up a free website account and how to enter the details of your ancestors and family. Your website is private, secure, and free up to 250 names in your family tree. Class size is limited to 15 with registration required by May 30. Register by stopping by the Library or calling 308-233-3282 or 308-233-3256. The class is free and open to adults.
